WHICH DENOMINATION?
We come to think less and less of the name of a church to which a man belongs, and more and more of the good he accomplishes. I no more hold the Roman Catholic Church responsible for the persecutions in the past than 1 hold the Puritan descendants of New England responsible for the fact that WHICH DENOMINATION? England re-possible for the fact that their an esters burned witches. I put the piety of many a Roman Catholic girl of my own boushole against the harshness and the airogai ce of some priding themselves on the orthodoxy. Protestants do not like the Pope at Rome; but we have in al our Protestant denominations lit l popes with thumbscrews in their vest-nockets, and they would burn at the stake to-morrow all those who diff r from them if they used. I like a Ro-man Catholic pope five-hurdred time-better than a Methodist pope, or a Baptist pope, or a Congregational pope, or a Presbyterian pope. If you are go ing to lord it over God's heritage, 1 u on your canonicals and let us see you are. All our denominations to-day are laboring under the fact that some ecclesiastic has sit down on them, she they are impartially waiting for hi-funeral. All along the line of our great denominations, the word will after awhile be given, and there will be a rising up that shall be the emarcipa tion of Christendom. I have been tole by men in all the great denon i ation of Christians in this country at differen times, that there are men in their de nominations standing in the way of al progress and all Christian enthusiasm The difference between the Roman Catholic Church and the Protestant ha the latter many. There is no country on earth where it requires so little timber to make a pope as in this country. Let us in all our denominations brave the equality that comes from standing on our platform and in the service of our Master; the preacher of a mission station side by side with an archbishop, and the minister that preaches in a linen coat, a brother to him that has a country same that the coat of the purchaser.

SWEET VIOLET PERFUMED AM-MONIA.—This Ammonia being perfumed will be found, after using, to have the pleasant odor of Violet—and prevents the objectionable smell of ordinary ammonia. It is double strength—will not chap or roughen the skin and affords all the luxury of a perfumed bath combined with the superior fumed bath combined with the superior cleansing properties of ammonia. Sprinkled in sick chambers the aminonia purifies and leaves the desired odor of Violets. For sale by WARFIELD & HALL,
